Our New CEO

At the end of March 2014, Dr. Kwame McKenzie joined the Wellesley Institute as its new CEO.

> I believe Toronto is very fortunate to have an organization like The Wellesley Institute, and leading the Institute through this next period of growth is a real privilege. Good health is something that all Torontonians want, for themselves and their community. I want to place Wellesley Institute at the forefront of understanding how social, environmental and economic forces shape the health of Toronto residents.
